

Hilton Odawara Resort & Spa Meeting Package

PLAN MEETINGS AND CONFERENCES WITH EASE

Hilton Odawara Resort & Spa is pleased to offer a Meeting Package that features a range of amenities for one inclusive price. Wi-Fi, whiteboard and markers, all-day beverage service, and a comfortable meeting space for up to 50 people – some with natural sunlight and ocean views – are among the included amenities. We recommend these hassle-free packages for half- and one-day meetings.

The resort's variety of guest rooms also allows for flexible accommodation arrangements as well.

In addition, our Meeting Package offers a "Carbon Neutral Meetings" option to support your SDGs efforts for CO2 emissions reduction and environmental initiatives. For more information, please scan the QR code on the reverse side of this page.
